

As one of the most challenging problem is the business climate in continue changing, especially in risk countries, businessmen must have in mind a possible final solution in case of collapse. This solution supposes to maximize the recovery with minimum losses. To reach this goal is necessary to contact a professional company and let it to advise you which are the legal best solutions.

With over 25 years' experience in debt recovery, Omni Bridgeway continues to be a leader on the debt recovery market offering a wide range of services as litigation and arbitration funding & management, debt trading & investment, debt recovery & claims against debtors.

Having a professional team of legal counsels working together within traders, bankers and analysts Omni Bridgeway has recovered more than €1.5 billion especially from the foreign entities in risk countries, worldwide as: Cuba, Azerbaijan, Bosnia, Serbia, Ukraine, Turkmenistan, Mongolia, North Korea, Iraq, Libya, etc. as also African countries.

In case of **debt recovery** there are alternative ways to proceed as the legal enforcement or amicable solution, both following the purpose to optimize your finance and do not allow debts to exceed assets.

Regarding to **litigation & arbitration funding and management**, Omni Bridgeway offers strategic support in case of international commercial disputes, international investment treaty disputes, and group claims. The group claims refer to concern agreements/decisions which have the object or effect the preventing, restricting or distorting competition and conduct to the abuse of a dominant position.

**Investment & debt trading** is an important service offered by Omni Bridgeway, which means that the company may purchase in some conditions the debts or in case of trading a debt, the company manages the transaction. These actions may have immediate favorable consequences for the insolvency company and represent a suitable way in order to avoid the economic collapse at a moment.

The group's headquarter is in the Hague and additional it has offices in Geneva, London and Guernsey, as well as representative offices in Japan, South Korea, Sweden, and Turkey. Also the group offers its services in various countries from Eastern Europe, Asia, Middle East, Africa and Latin America.
